5.4. Experience in landscape design implementation

Implemented or executed landscape designs with a coverage area of 1,000 square meters in the past three (3) years (1 landscape project with minimum of 1,000 square meters or an aggregate of 1 to 3 landscape projects that total to a minimum of 1,000 square meters).

5.5. Experience in landscape maintenance

Maintained grounds and landscaped areas with various ornamental plants, trees and other landscape elements with minimum coverage area of 10 hectares in the past three (3) years (1 landscape area with a minimum of 10 hectares area or an aggregate of 1-3 landscape areas that total to a minimum of 10 hectares).

6. Key Staff Qualifications

The service provider shall assign a supervisory team who shall oversee the performance of maintenance activities included in the scope, prepare reports and perform representation and coordination work with UP Manila.

The service provider shall assign a supervisory team who shall oversee the performance of maintenance activities included in the scope, prepare reports and perform representation and coordination work with UP Manila.

The members and respective qualifications of the supervisory team shall be as follows:

1. Agriculturist/ Forester - The agriculturist/ forester shall serve as the representative of the service provider. All communications with the maintenance team shall be through the Agriculturist/ Forester. The supervisor must be duly licensed with at least five (5) years experience in grounds maintenance.
2. Landscape Architect - The design Landscape Architect must be duly licensed with at least five (5) years experience with university/ institutional landscaping. Shall be a member of Philippine Association of Landscape Architects (PALA).

UP Manila shall, at all times, have the right to inspect the quality of work and performance of the service provider, decide on any and all questions which may arise as to the quality or acceptability of the services rendered and require immediate corrective action.

7. Fees and Payment

The Approved Budget for the Contract is Nine Million Five Hundred Ninety Eight Thousand Eight Hundred Pesos and 0/100 centavos (Php9,598,800.00) for a period of one year or 365 calendar days.

Contractor shall be paid on a monthly basis equivalent to one-twelfth (1/12) of the total contract price.

End-user will conduct a monthly performance audit based on a service level agreement (SLA) (see Annex D). The SLA and monthly accomplishment reports will be used as an attachment for the billing. A satisfactory rating of 85% is required for processing of the audited month.

A rectification period of 48 hours, or as agreed upon with UP Manila, is given to the service provider in case it fails to acquire the satisfactory rating.

Payment for the audited month is postponed until the rectification period is completed and SLA performance is re-evaluated. If, after the rectification period, the contractor still failed to receive a satisfactory rating, deductions in the rate of one-tenth (1/10) of one percent (1%) of the total contract price will be imposed daily until satisfactory rating is achieved.

Delay due to non-responsiveness, with due notice, cannot be rectified. After three (3) consecutive months of rating below 85%, shall be considered as a breach of obligation and subject to lawful action.
