BID BULLETIN NO. 2022-104
16 September 2022

for the Management Services including System Development of UP-Philippine General Hospital Information System
BAC1-2022-07-0048

Pursuant to Section 22.5.1 of the 2016 Revised Implementing Rules and Regulations of Republic Act No. 9184, the Bids and Awards Committee 1 is issuing this bid bulletin to modify or amend the following items in the Bid Documents in response to and address the request / clarification of the prospective bidder/s who attended the pre-bid conference held on 09 September 2022

1. *The following data should be modified in the Instructions to Bidders (Section 2) as:*

Item No.	From	To
2.2.a	NGA, the National Expenditure Program	NGA, the ~~National Expenditure Program~~ ***General Appropriations Act or Special Appropriation***

2. *Clarification on Scope of Work:*

Item No.	Query	Response
III.2	Under the Technical Specifications, scope of work, it indicated that the minimum specifications for the four (4) system developer / programmer and one (1) business analyst must have the following minimum specifications: a. Graduate of any Information Technology course; b. Have at least two (2) years actual experience in programming and system analysis; c. Well-versed with different programming language such as Python and/or php and other related web design programming tools. d. Knowledge on integration tool such as API. *Would we comply if we provide a team that has the following skillset:*	The skill set we required with are four (4) system developer / programmer and one (1) business analyst will be strictly implemented as each programmer will be assigned with different projects using the programming language required (Python, Php, etc.) If they only have individual specializations, we cannot assign them to different projects that use these required skill set.

Item No.	Query	Response
	• *Programmer 1 – Specialization on front-end development, Phyton and javascript* • *Programmer 2 – Specialization on PHP and web development* • *Programmer 3 – Specialization on integration services* • *Programmer 4 – Specialization on Database Management and Analysis* • *Business Analyst I - Specialization in Documentation, System Analysis and Design, and Quality Control* • *All of the above are IT graduates (Computer Science, Information Technology, Mathematics major in Computer Science, Programming and / or Computer Engineering)*	
	May we know what would be the basis of accomplishment (For example, monthly target must be realistic for a team with 2 years' experience in systems development and documentation) for the manpower / team to be provided? This is to ensure that manpower / team to be provided will be up to expectations of the client.	The basis would be a monthly target specified by the client with documentations.

This shall form an integral part of the Bid Documents.

For the information and guidance of all concerned.
