Bid Bulletin No. 1

**Supply, Delivery, Testing and Commissioning of Two (2) Sets of Brand-New Services Elevator with Two (2) Sets Single Lane Turnstile Access System Including Extended Comprehensive Maintenance for the New National Institutes of Health Building, University of the Philippines Manila**

This Bid Bulletin No. 1 is being issued to clarify and address query raised by the prospective bidder/s through email.

<b>Query</b>	<b>Response/ Clarification</b>
Concern due to one lacking document, the Similar SLCC. In view hereof, may we seek for reconsideration and be included in the upcoming bidding in as much as though we lack of Similar Single Largest Completed Project, we give the assurance that we can aptly deliver the required goods/services being bided. While we have yet to handle a similar project, we have handled other projects of a bigger scale. Therefore, we have no reason to doubt our capability to fulfill the requirements of the project.	The end-user clarified that the similar project required is <i>"Supply, delivery, and installation of the elevator"</i> and concur with Section 23.4.2.4: <i>"The bidder must have completed an SLCC that is similar to the contract to be bid, and whose value, adjusted to current prices using the PSA consumer price indices, must be at least fifty percent (50%) of the ABC to be bid: Provided, however, That contractors under Small A and Small B categories without similar experience on the contract to be bid may be allowed to bid if the cost of such contract is not more than the Allowable Range of Contract Cost (ARCC) of their registration based on the guidelines as prescribed by the PCAB."</i>

For guidance and information of all concerned.
