			The F147 shipping container is the property of the supplier and will be used for the return of the source to be replaced.		
			This new sealed source may be returned to the supplier after its useful life. The returned sealed source will then become the property of the supplier upon arrival at its facility. For this purpose, the supplier, upon request, will provide qualified personnel and licensed shipping containers to execute the source removal and transfer. Removal, transfer, shipment and disposal of this new sealed source will be charged to the Customer's account.
