TERMS AND CONDITIONS

1. Delivery and installation should be done within ninety (90) calendar days commencing on the 3rd working day of notification through confirmed fax that the approved Purchase Order / Contract is already available for pick-up.
2. The system must be delivered ready to use. Cables, connectors, adapters and accessories not specified but are essential for the unit to function must be provided.
3. Provide product orientation and operations training for end-users and troubleshooting for biomedical engineers.
4. Warranty and preventive maintenance should be three (3) years and one (1) year on parts.
5. Warranty period shall commence from the date of acceptance by the end-user after testing and commissioning.
6. Provide quarterly preventive maintenance and calibration during the warranty period.
7. Have the capability for corrective and preventive maintenance of the unit.
8. Must guarantee that diagnostic technician will be able to assess the unit within 24 hours of notification.
9. Provide original and hard copy of Operator's and Service's Manuals (in English language) upon delivery.
10. Responsible for the performance of testing, delivery, installation and commissioning of the unit.
11. Guarantees that the bid offer is the lowest price in the market.
12. Compliance with Republic Act No. 9184 and other applicable laws.

Very truly yours,

GERARDO D. LEGASPI, MD, FAFN SEP 14 2016
Director, Philippine General Hospital
