TRISTAN NATHANIEL C. RAMOS, DDM, MPH
Chair, Bids and Awards Committee 3
University of the Philippines Manila

Dear Dr. Ramos:

As per discussion during the pre-procurement conference for the Hyperconverge Solution [PR No. 15903], the specific changes included in the features are as follows:

- From: Capable of Disaster Recovery; instant virtual machine recover; [Recovery rate speed shall be provided for comparison]
- To: **Capable of Disaster Recovery; instant virtual machine recover; Recovery Rate speed of 50 MB/s to 70 MB/s**

- From: With an integrated backup and offsite replication solutions
 - Provide backup rate [speed] for comparison especially for offsite replication
- To: **With an integrated backup and offsite replication solutions**
 - **Provide documentation that Backup rate is within 50 MB/s to 70 MB/s**

We are hoping for your kind consideration and thank you very much.

Sincerely,

EVA MARIA C. CUTIONGCO-DE LA PAZ, MD, FPPS
Executive Director, NIH
