Dear **Dr. Ramos**,

Re: Revision of Terms and Conditions for PR 15698 Server for the Project "Portable Sequencing Platform for African Swine Fever Virus Detection" of NIH-IMBB, Php 2,000,000, Public Bidding

As discussed with the participating supplier/s during the pre-bid conference held on 18 April 2022, we would like to address the following requests for revisions on the terms and conditions of One Server from PR 15698:

Original	As Revised
<ul style="list-style-type: none">• Certification from at least three (3) government and /or private agencies within Metro Manila or the Philippines that they have been supplied with the same brand being offered.• Notarized Certification that the local distributor and the manufacturer have been in business relationship of providing that said equipment for at least five (5) years.• Notarized certification accompanied with proof that the bidder is in the business of supplying the unit/item for the last five (5) years.	<ul style="list-style-type: none">• Certification from at least one (1) government and /or private agencies within Metro Manila or the Philippines that they have been supplied with the same brand being offered.• Notarized Certification that the local distributor and the manufacturer have been in business relationship of providing that said equipment for at least three (3) years.• Notarized certification accompanied with proof that the bidder is in the business of supplying the unit/item for the last three (3) years.

We are hoping for your consideration and continued support. Thank you very much.

Sincerely,
