TERMS AND CONDITIONS

1. Delivery should be done within sixty (60) calendar days commencing on the 3rd working day of notification through confirmed fax that the approved Purchase Order / Contract is already available for pick-up.
2. Warranty: Three (3) years comprehensive warranty. Scope of which includes at least four (4) preventive maintenance per year and unlimited corrective maintenance and parts.
3. Warranty period shall commence from the date of acceptance by the end-user after installation, testing and commissioning.
4. Automatic provision of a functioning service unit during the warranty period (same model) in case of repair of the purchased unit within forty-eight (48) hours of notification.
5. Provide regular quarterly preventive maintenance and calibration during the warranty period.
6. Must guarantee machine to have an uptime of 95%, otherwise corresponding penalty will be imposed.
7. Must guarantee that software updates and its licenses and installation are included during the scope of warranty.
8. Availability of service engineers (certified factory trained on service and repair) 24/7.
9. Must provide on-site applications training to end-users for at least a month.
10. Technical Specialist: Must include on-site technical training for a staff from the Office of Engineering and Technical Services (OETS) and four (4) from DOVS Staff. One (1) application specialist must be available to provide quick on-site support within 1-3 months of operations.
11. Provide Operator's & Service's Manual (in English language) upon delivery.
12. The unit should conform to the International Electrotechnical Commission (IEC) Standards and International Health Enterprise (IHE) or its equivalent.
13. Compliance with Republic Act No. 9184 and other applicable laws.

Very truly yours,

DEC 14 2015
